

# EXECUTIVE PRESENCE Online: March 2021 for MANAGERS AND PRINCIPAL ADVISORS

Would you like to dramatically increase your influence and engender confidence with your presence?

Would you like to be sought after for advice and counsel and have a reputation for leading and contributing to purposeful meetings where things are progressed, and people give their best.

Would you like to access a range of behaviours that increase your authenticity, credibility, help you develop trusted relationships rapidly, ensure you stand out in a crowd and make you an object of interest?

Join me for a 3-session group zoom experience during which you'll master:

- Powerful meeting openings
- Brilliant tips for inclusion and generating meeting participation
- Succinct and dramatic contributions
- Shaping your personal and professional impact
- Brevity and focus
- How to read and master group dynamics

There is an initial online preparation interview after which you make a 3-minute self-presentation video to submit and I give you specific feedback and IP for you to use to elevate your presence immediately, and much more.

Is it worth learning with me so that can reduce your self-doubts by at least half and increase your productivity and impact by 100%?
